I ABOUT US

- **POOJA ENTERPRISES** synonymous with **QUALITY, STRENGTH, SUPERIOR ENGINEERING, & WORLD CLASS RELATION.**
- Pooja enterprises is an ISO 9001:2015 company specialising in complete **Scaffolding & Formwork systems, Heavy Fabrication, Flanges and Pipe Fitting** catering the globe with our quality products and efficient services.
- We at Pooja enterprises have started our humble journey in 2004 under the leadership of our founder Niraj Singhania concentrating mainly in scaffolding accessories. With the support of our cliental and world class network built over time we have branched into many various categories catering to the entire construction industry including construction of buildings, factories, nuclear power plants, roads, bridges, water treatment plants, metro and bullet trains, electric tower, stations and many more.
- Our head office being located in the heart of Kolkata and our factory being branched out pan India namely:
 - **KOLKATA (FORMWORK AND SCAFFOLDING),**
 - **RAIPUR (HEAVY FABRICATION),**
 - **JAMSHEDPUR (CRITICAL ENGINEERING)**
 - **JALANDHAR (FORGINGS AND CASTINGS)**
- We have a state-of-the-art facility with carefully laid out plans in each of our factories to elaborately cater to each and every need of our customers. We highly emphasis on the safety and quality of each and every product with our works spread over a total of 125000 sq. ft area and unique machinery to full fill each and every need.
- We are currently delivering PAN India to highly reputed construction giants and serving over 125+ active construction sites and exporting globally as well.
- We expertise in giving a complete solution to the client's requirement using a holistic approach following smooth and ethical manufacturing practices.

I WHY CHOOSE US

- **POOJA ENTERPRISES IS AN ISO 9001:2015**
Company spread in enoumous area of 125000 Sq. Ft. pan india
- **18 YEARS OF EXTENSIVE AND RICH EXPERIENCE**
In the designing, fabrication and delivering of Scaffolding & Formwork systems and accessories globally
- **LAB TESTED CERTIFIED PRODUCTS**
Which are dispatched after intensive tests from reputed NABL LABS batch wise
- **BEST COMPETITIVE RATES**
Which are the best in market without compromising in the quality with the quickest delivery
- **EXECUTED MORE THAN 600 FORMWORK PROJECTS WORLDWIDE.**
Customised formwork needs for each site with our in house engineering team for the most critical fabricated items.
- **OUR PROMISE TO HAVE THE BEST RELATION AND AFTER SALE WARRANTY**
To ensure that each and every product is met with complete satisfaction of the end user
